

MOBILE WEBSITE DESIGN

Customers should be able to find you from anywhere.

Today, more local customers are searching for your business with their smartphones. Are you losing customers who are searching for your business while they're on the go? Give customers anywhere access to your website while generating more business for you.

40% of consumers will go to a competitor's site after a bad mobile experience.

COMPUWARE, 2012

95% of smartphone users have searched for local information on their phone.

THE MOBILE MOVEMENT STUDY, 2011

57% of customers would not recommend a business with a bad mobile site.

GOOGLE, 2012
